1. Who can know the arm of the Lord? Who wants to?
Who wants to? I ask, who wants to?
Who wants Me? Who wants the arm of the Lord strengthened in them, in them, to be them, Me, it, you, one; do you want?
'Eh, what will you pay not, what will you believe/receive/surrender, to/into?
Answer Me.

2. Who is Me? What is coming in the earth? Answer Me. Do you know?
Do you want to? Do you want to serve Me or mammon?
What do you want and how do you want to operate?
How do you want to grow, or do you, or want you to remain secure in your bubble-thought to receive only nourishment-thought from another, knowing My power/arm vicariously only?

3. Who do you want and what for, to serve Me or you, your interests in self-proclamations of your own choosing, or choosing the Cross of surrender?

4. See what I have asked/said/stated in asking.

5. Who are you and what do you think you have/want?
Why are you not satisfied?
Thinkest thou that there is more?
And where, how, what, are you going to do with that thought?

6. Where are you going with your thoughts?
What are they, where are they taking you?
What/who is transforming what/who into what/who?
Are you/it transforming you into you or it-not, that which does not exist?
